DETAILED ACTION

Election/Restrictions

1. Restriction to one of the following inventions is required under 35 U.S.C. 121.

In accordance with 37 CFR 1.499, applicant is required, in response to this action, to elect a single invention to which the claims must be restricted.

Group I, claim(s) 1-16 and 22-58, drawn to a method for the dynamic adaption of communication parameters classified in class **370**, subclasses 230, 260, 310, 330-335, 342, 401, 423, 429, 436, 468, 478, and class **455**, subclasses 12.1, 62, 63, 428, 440.

Group II, claim(s) 17-21 and 59, drawn to a method of formatting in a TDMA system classified in class **370**, subclass 321, 337, 344-348, 395

The inventions are distinct, each from the other because of the following reasons:

The sub-combinations are distinct from each other if they are shown to be separately usable. In this case, inventions I and II have separate utility such as adaption of communication parameters and formatting in a TDMA system. See **MPEP 806.05 (d)**. Because this invention is distinct for the reasons given above and have acquired a separate status in the art as shown by their classification, restriction for examination purposes as indicated is proper.

2. Applicant is advised that the reply to this requirement, in order for it to be complete must include an election of the invention to be examined even though the requirement be traversed (**37 CFR 1.143**). Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventor-ship must be amended in compliance with **37 CFR 1.48(b)** if one or more of the currently named inventors is

no longer an inventor of at least one claim remaining in the application. Any amendment of inventor-ship must be accompanied by a request under **37 CFR 1.48(b)** and by the fee required under **37 CFR 1.17(I)**.

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventor ship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventor ship must be accompanied by a petition under 37 CFR 1.48(b) and by the fee required under 37 CFR 1.17(I).
